	2200	44 U	symmetrical	180	WZ-1951-29-08-011
800	2000	40 U	symmetrical	360	WZ-1951-29-01-011
			asymmetrical	440	WZ-1951-20-01-011
	2200	44 U	symmetrical	360	WZ-4950-26-00-011
			asymmetrical	440	WZ-4950-27-00-011

Package: 1 pc.

**Notes**

Cabinet with a swing frame should be fixed to the floor of the room to prevent tipping.  
 On customers request, we make cabinets with swing frames with the possibility of opening by 180°.

**DESIGN**

1. Cabinet frame
2. 19" swing frame
3. Top supporting bar
4. Bottom supporting bar
5. Masking panel for symmetrical frame
6. Masking panel for asymmetrical frame

ACCESSORIES FOR SZE2 CABINETS

19" SWING FRAME

**19" swing frame with increased load capacity**

On customers request, it is possible to make SZE2 cabinet with a swing frame with a load capacity of 200 kg.

The swing frame then has an overrun wheel and the cabinet's frame has special strengthening which prevents it from deforming during opening the loaded frame.

For detailed information, please contact ZPAS sales department.

Example of SZE2 cabinet with strengthened frame equipped with a swing frame with 200 kg load capacity

## ACCESSORIES FOR SZE2 CABINETS

## MOUNTING PLATE

Mounting plate

Mounting plate guides

**Mounting plate**

The mounting plate is designed for installing different equipment inside the SZE2 cabinet.

Detailed dimensions of the mounting plates are given in the drawing on page 17.

**Material**

Al-Zn-coated steel sheet, 3 mm thickness; dimensional tolerances sheet steel are normal according to EN 10143.

**Scope of delivery**

Mounting plate with cabinet fixing accessories.  
Mounting plate guides are sold separately.

Height [mm]	For cabinet		Catalogue number
	Width [mm]		
2000	600		WZ-1951-67-10-000-BP
	800		WZ-1951-67-07-000-BP
	1000		WZ-1951-67-04-000-BP
	1200		WZ-1951-67-01-000-BP
2200	600		WZ-4950-28-10-000-BP
	800		WZ-4950-28-07-000-BP
	1000		WZ-4950-28-04-000-BP
	1200		WZ-4950-28-01-000-BP

Package: 1 pc

**Note:**

On customers request, we make hinged mounting plates, using galvanized steel sheet or textolite plate.

The mounting plate can also be powder-painted in RAL 7035 (standard colour) or any other colour on demand.

**Mounting plate guides**

The guides are designed for installing the mounting plate in the SZE2 cabinet. They make inserting and positioning the plate inside the cabinet easier.

**Material**

Al-Zn-coated steel sheet

**Scope of delivery**

Set of 2 guides together with accessories for fixing them on the bottom plate of the cabinet.
